

SELECT BALANCER MINERAL G

Product No. 1419

Form: Meal

A vitamin and mineral supplement formulated for feedlot growing rations containing corn gluten feed, corn distillers grains, soybean meal, linseed meal or other protein sources as the source of supplemental protein.

FEATURES AND BENEFITS

- Formulated to supplement mineral, trace mineral and vitamin shortage associated with supplemental protein containing rations
- Low inclusion rate in feeding ration for economical supplementation
- Available with approved feed additives which provides flexibility to adjust rations to specific needs

DIRECTIONS FOR USE

Feed 1/3 lb/head/day. Designed to be mixed with grain or into a TMR. Must be thoroughly mixed in feeds before use; do not feed undiluted. Provide plenty of fresh, clean water at all times.
