

AUREO S 700® 2G

Product No. 17BAG

Form: Short Pellet

A palatable source of chlortetracycline and sulfamethazine in crumblized form that may be top dressed, mixed into a grain ration or mixed into TMR. For beef cattle.

MEDICATED

Chlortetracycline 4,000 g/ton. Equivalent to 2 g (2,000 mg) chlortetracycline/lb.

Sulfamethazine 4,000 g/ton. Equivalent to 2 g (2,000 mg) sulfamethazine/lb.

FEATURES AND BENEFITS

- Chlortetracycline plus sulfamethazine aids in the maintenance of weight gains in the presence of shipping fever
- Broad spectrum antibiotics which is convenient to add two antibiotics to rations fed cattle that may be subjected to respiratory diseases such as shipping fever
- Crumblized form which is convenient and easy to feed. Mixes well and won't blow away

DIRECTIONS FOR USE

Feed 0.175 lb Aureo S 700® 2G/head/day for 28 days. Indicated amount of Aureo S 700® 2G provides 350 mg chlortetracycline and 350 mg sulfamethazine/head/day and can be top dressed on individual rations or completely mixed into the regular ration or TMR.
