

THERACAF PLUS

Product No. 1947

Form: Case (18 – 4 oz foil packets)

Product No. 1948

Form: 25 lb bag

TheraCaf® PLUS is an electrolyte with added functional proteins and yeast extract formulated for use during times of stress (e.g. transport, weather, sickness). This supplement is intended for use in calves from 2 days of age until weaning.

FEATURES AND BENEFITS

- Ideal balance of electrolytes, energy and glycine supports rapid absorption of fluid and electrolytes.
- Functional protein and yeast extract optimize gut health in times of stress.
- Dextrose and glycine provide readily absorbable energy.
- Sodium bicarbonate, sodium citrate, sodium acetate and potassium citrate help to optimize blood pH (metabolic acidosis is associated with dehydration).
- Low feeding rate is cost effective and convenient.

DIRECTIONS FOR USE

See complete mixing directions on tag.

GUARANTEED ANALYSIS

Crude Protein	(Min)	20.00%	Sodium (Na)	(Min)	4.50 %
Glycine	(Min)	4.00 %	Sodium (Na)	(Max)	5.50 %
Salt (NaCl)	(Min)	4.00 %	Potassium (K)	(Min)	1.50 %
Salt (NaCl)	(Max)	5.00 %	Magnesium (Mg)	(Min)	0.04 %
