38 SHEEP PERFORMANCE

CONCENTRATE

Product No. 2005

Form: Pellet

A non-medicated, 38% protein supplement for all classes of sheep including show stock.

FEATURES AND BENEFITS

- 38% protein to balance protein shortage in grains and roughages for optimum performance
- Ammonium chloride to prevent urinary calculi (acid/base balance)
- Diamond V XP yeast to support gut health
- Amaferm for improved feed digestibility and overall enhanced animal performance
- Sel-Plex and organic trace minerals for optimum absorption and utilization
- No added copper

DIRECTIONS FOR USE

Mix 38 Sheep Performance Concentrate with grain and/or roughage to reach desired protein level of complete feed. Bring lambs on feed gradually. Feedlot lambs should be offered free choice salt. Adjust feed intake based on body condition and production stage. Please consult with your Famo Feeds dealer or representative for information concerning specific rations or mixes. Provide plenty of fresh, clean water at all times.
