

EQUINE CHOICE

Product No. 2113

Form: Mineral

A highly-palatable free-choice mineral specifically designed for horses.

FEATURES AND BENEFITS

- Appropriate for use in complete rations or when fed free choice
- Highly palatable formula to ensure adequate intake when fed free-choice
- Formulated specifically to meet the unique needs of horses
- Proper balance of macro minerals for supplementing a wide range of forages
- Well fortified with vitamins and trace minerals to improve immune function, support reproduction and fertility, and hoof quality
- Contains Zinpro Availa-4 to support optimal animal performance and health

DIRECTIONS FOR USE

Feed 2 - 4 oz/head/day. May also be offered on a free choice basis. Provide plenty of fresh, clean water at all times.
