

JUMP START

Product No. 2200

Form: Meal

Jump start is a low inclusion supplement for pre- and postfreshening cows formulated to get cows off to a faster, trouble free start.

FEATURES AND BENEFITS

- Rumen-protected choline, essential for fat metabolism
- Rumen-protected niacin to improve energy utilization
- Yeast culture to improve rumen health
- Sucrose and whey to provide rumen digestible energy

DIRECTIONS FOR USE

Jump Start is formulated for pre- and postfreshening cows. Feed at the rate of 8 oz/head/day for 14 – 21 days precalving and 14-21 days postcalving. Provide plenty of fresh, clean water at all times.
