

MC PLUS

Product No. 2207

Form: Meal

A supplement composed of yeast cultures, hydrolyzed yeast, mannan oligosaccharides, beta glucans, aluminosilicate, fat-soluble vitamins, water-soluble vitamins, and cobalt.

FEATURES AND BENEFITS

- Comprised of multiple components that have been shown to bind harmful pathogens in the digestive tract
- Mannan oligosaccharide (MOS) and beta glucans promote gut health and improve immune function
- Yeast products help enhance fiber digestion
- Includes ingredients shown to increase milk production and reduce somatic cell counts in dairy cows
- Provides vitamins and minerals important for energy metabolism and improved immune function

DIRECTIONS FOR USE

Feed 3 – 8 oz/head/day to lactating/non-lactating dairy cattle and beef cattle. Feed 15-40 lb/ton feed for swine, poultry, and horses. Provide plenty of fresh, clean water at all times.
