

VITAMIN A-D-E PREMIX

Product No. 2311

Form: Premix

A high concentration of vitamin A, D3 and E. It is available in 50 lb bags or in a bale of 10-5 lb bags.

FEATURES AND BENEFITS

- High concentrations of vitamins A, D3 and E which can be added to your farm grain mix or protein blend
- Packaged in 50 lb (bulk) bags or in a convenient bale of 10-5 lb bags for a convenient and economical way to incorporate vitamin supplements

DIRECTIONS FOR USE

A-D-E Premix is a highly concentrated source of vitamins and must be thoroughly mixed with other grains before feeding. Provide plenty of fresh, clean water at all times.

DAIRY CATTLE:

If A-D-E Premix is your only source of vitamins, mix 12 – 15 lb/ton of grain mix. If rations contain some A-D-E Premix, mix not to exceed 80,000 IU vitamin D3/head/day.

BEEF CATTLE:

Mix A-D-E Premix into complete grain mix in an amount to provide 30,000 – 40,000 IU vitamin A/day.

SHEEP:

Mix 5 lb A-D-E Premix/ton grain mix and feed 1 – 2 lb grain mix/head/day.

GUARANTEED ANALYSIS

Vitamin A	(Min)	1,500,000 IU/lb	Vitamin E	(Min)	4,000 IU/lb
Vitamin D3	(Min)	250,000 IU/lb
