

GOAT PERFORMANCE MINERAL

Product No. 2514

Form: Mineral

A mineral specifically designed for the unique nutritional needs of goats and kids. Feed free choice to meat or dairy breeds.

FEATURES AND BENEFITS

- Fortified to meet the needs of dairy and meat goats in all stages of production
- Utilizes organic trace minerals for greater bioavailability and improved performance
- Contains Sel-Plex® organic yeast selenium which is more bioavailable and can be better stored in body tissue; in combination with higher levels of Vitamin E may reduce incidence of white muscle disease in kids.
- Diamond V XPC Yeast for improved rumen health and digestibility
- Contains added thiamine and other B vitamins
- Palatable for feed free choice

DIRECTIONS FOR USE

Feed free choice to all classes of goats (target ¼ – ½ oz/head/day). Provide plenty of fresh, clean water at all times.
