

BALANCE BUILDER 20% PROTEIN PERFORMANCE

Product No. 3105

Form: Low-Moisture Block

A urea-free nutritional supplement for cattle on pasture or forage diets.

FEATURES AND BENEFITS

- 20% protein supplement to be fed with low to medium quality forages to improve fiber fermentation
- Ideal for maintaining body condition for cattle on pasture or fed stored forages
- Additional protein can help meet increased cow requirements prior to calving, in early lactation and at breeding
- Predictable, low consumption that provides consistent supplemental nutrition across entire herd at a low cost
- Contains Zinpro Availa-4® organic trace minerals for maximum bioavailability of trace minerals. Ideal for use in geographical areas with high levels of trace mineral antagonists such as molybdenum in forages and/or sulfate and iron in the water supply. Also appropriate for operations that demand optimum performance from their cattle

DIRECTIONS FOR USE

Provide one 250 pound tub to every 20 to 40 head. Once acclimated and if needed, adjust stocking rate and tub placement to achieve desired intake. Always provide access to clean, fresh water and free-choice salt.

Expected Intake: 0.75 – 1.25 lb per head per day.

GUARANTEED ANALYSIS					
Crude Protein	(Min)	20.0 %	Copper (Cu)	(Min)	300 ppm
Crude Fat	(Min)	3.0 %	Iodine (I)	(Min)	35 ppm
