DIRECTIONS FOR USE

Bunny Bits Performance is designed to be fed to all classes of rabbits. It should be fed as a complete feed to growing and fattening stock and to nursing does to supply the energy these rabbits require for good performance. Resting does may be fed about one third hay to two thirds Bunny Bits Performance and pregnant about one-fourth hay to three-fourths Bunny Bits Performance. Use only bright, clean hay free from dusts and molds. Provide plenty of fresh clean water at all times and keep surroundings free from dirt and parasites.
