

# GREEN RANGE ORGANIC DRY COW MINERAL

**Product No. 4016**

**Form: Mineral**

An organic allowed mineral supplement for non-lactating dairy cattle.

## FEATURES AND BENEFITS

- Organic allowed so it complies with organic standards
- No salt added lessens udder edema/swelling
- No potassium added helps prevent milk fever/hypocalcemia
- High copper and zinc content improves conception rates and immune function response
- Provides minerals and vitamins in one easy to use product which saves time and labor when mixing feeds; brings accuracy to the farm

## DIRECTIONS FOR USE

Green Range Organic Dry Cow Mineral Mix may be top dressed, fed free choice or mixed into a complete dry cow ration. Feed 4 oz/head/day. Please consult with your Famo Feeds Dealer or representative for information concerning specific rations or mixes. Provide plenty of fresh, clean water at all times.

## GUARANTEED ANALYSIS

Calcium (Ca)	(Min)	4.3 %	Iodine (I)	(Min)	210 ppm
